Voluntary internship for the duration of 4-8 weeks may be undertaken by 1<sup>st</sup> / 2<sup>nd</sup> year students in NGOs, Trusts and Public Sector organizations in Summer Semester. However, Mandatory internship (graded course of 3 credit hours) for minimum duration of 6 weeks must be performed by 2<sup>nd</sup> / 3<sup>rd</sup> / 4<sup>th</sup> year undergraduate students once during the degree programme. Mandatory internship will be conducted in the industry / public or private sector organization relevant to the individual's degree programme. Mandatory internship will be reflected on the transcript as Qualified / Not Qualified being the essential component for the award of degree.

4. **Community Service Course.** Each student is required to undergo a 2-Credit Hour (CHs) Community Service course as part of the standard curriculum. The students who do not complete the course are usually at a disadvantage during job placements and practical life.

5. **Examinations & Other Semester Requirements.** The following may be scheduled during a semester of studies for grading:

- a. **Minor Test (Quiz).** Several unannounced/announced quiz tests are conducted frequently in each course at irregular intervals, (normally 2-3 per credit hour) throughout the semester.
- b. **Major Tests**
  - (1) **Mid Semester Examination/One Hour Test (OHT).** Mid Semester Exam is a 2–3 hour test conducted at mid-semester or a number of OHTs (one-hour duration), conducted (normally one per credit hour) in each course at regular intervals with due notice of at least two days.
  - (2) **End Semester Examination (ESE).** The last comprehensive examination of approximately three hours duration is given in each course on its completion.
- c. **Class Assignment.** A task, relevant to a course of study, is assigned by concerned faculty to substantiate the course contents. The assignment may or may not be graded.
- d. **Practical/Lab Test.** These tests include all such examinations/evaluations to ascertain the level of competency of the practical application of knowledge acquired.
- e. **Project.** Project is a research work aimed at testing the ability of a student to translate the theoretical knowledge acquired during a course of study into practical use. Projects are usually assigned as part of coursework to

individuals or groups of students and each student is required to present the project work.

- f. **Attendance.** 75% attendance is a must for a student to be allowed to appear in the End Semester Examination of a subject. Students shall be awarded **XF** grade if their respective attendance falls below 75%. No deviation from this rule is allowed under any circumstances.
- g. Students are required to make oral presentations during the semesters as part of courses specially configured to develop their soft skills.

6. All End Semester Examinations are managed by the constituent institutions on dates and according to the schedule prepared by them.

7. **Question Paper.** All question papers are set by respective faculty and duly scrutinized, approved, and conducted in accordance with the University policy. As per the spirit of the semester system, there shall be no choice in attempting the questions. It shall also be ensured that the Question Papers are balanced with respect to the examination policy and have been prepared to cover the essentials of the whole syllabus completed by the faculty.

8. **Use of Reference Material during Test/Examination.** Before the quiz, OHT, and mid/end-semester examinations, the concerned faculty/invigilator may announce such books, notes, or other material which can be referred to by the student during the test/examination. Students should not be in possession of any other book, notes, papers or material, etc.

9. **Examination Schedule.** The Deputy Controller of Examinations of the respective institution publishes the examination schedule at least two weeks prior to the commencement of the End Semester Examination.

10. **Academic Calendar.** Director Academics prepares the academic calendar of the University based on the details provided by each institution and other directorates of Main Office NUST at least two months before the commencement of the academic year, i.e., Fall Semester.

11. **Conduct of End Semester Examination.** S. HoD/Dean approves the detailing of officers/faculty as superintendent/deputy superintendent for the conduct of End Semester Examination. These officers/faculty shall ensure the following:

- a. Students are seated in the examination room according to the seating plan prepared by the Examination Branch.
- b. All answer books used in the examination are initialed by the invigilator. No other answer books are to be used.
- c. Answer books are issued to the invigilators five minutes before the commencement of the examination and retrieved at the end of the examination.
- d. The absentee report, if any, is prepared and forwarded to the Examination Branch at the end of each examination.

12. **Invigilation Duties.** Invigilators are detailed by the Deputy Controller of Examinations of the institution after the approval of the Dean. They report to the superintendent/deputy superintendent thirty minutes before the commencement of examination and shall ensure the following:

- a. Students are seated according to their seating plan.
- b. Students are warned against the use of unfair means and have been advised to surrender notes, papers, cell phones, iPads, etc., or other unauthorized material before the commencement of the examination.
- c. No student is allowed to join the examination thirty minutes after its commencement.
- d. No student is allowed to leave the examination room within one hour of commencement of the examination. The visits to washrooms shall be carefully controlled.
- e. The question papers and answer books of a student detected using unfair means or assisting another candidate, are taken away and the matter is reported to the superintendent/deputy superintendent of examination. The superintendent records all available evidence to be used as written proof later on.
- f. The students write their examination code number on the front cover of each additional answer book used. If more than one answer book is used, they are stapled together. All unused answer books are handed over to the superintendent/deputy superintendent after the examination.

13. **Invigilators' Responsibility.** The invigilator distributes the question papers to the students according to the schedule published by the Examination Branch of the respective institution. The invigilator collects answer books from the students and hands them over to the superintendent/deputy superintendent after the examination. The subject faculty shall remain available near the examination of their subject to clarify queries if any.

14. **Students' Responsibility.** Students shall report half an hour before the time fixed for the examination on the first day and ten minutes on subsequent days. No books, notes, or documents are to be taken in the examination room except those authorized by the examiner.

15. **Unfair Means.** Any student found using unfair means or assisting another student during a test/examination shall be liable to disciplinary action. A student found guilty of such an act by the institution Discipline Committee, will be dealt with in the light of policy in vogue. Use of unfair means generally covers the following:

- a. An attempt to have access to the question paper before the test/examination.
- b. Use/possession of unauthorized reference material during test/examination.
- c. Any form of communication by the student with anyone in or outside the examination room while the test/examination is in progress.

- d. Unauthorized entry into faculty's office or that of his/her staff with the intention of having access to or tampering with the official record/ Examination papers etc.
- e. Possession of cell phones, smart phones, smart watches, or any other smart gadget/electronic device that may assist in the examination.

16. The basis for determining a student's grade in a course of studies is left at the well-considered discretion of the individual faculty/Departmental Board of Studies (DBS). Since some courses are purely theoretical, some are purely practical and some have a theoretical as well as a practical portion, the grading scheme in the format given below may be followed by each department for the purpose of uniformity:

### Grading Scheme per Semester

Engineering / IT / Sciences			
Nature of Examination	Duration	Frequency	Weighting (%)
End semester examination	2- 3 hours	1	40-50
One Hour Test(s)*	One hour	<ul style="list-style-type: none"> <li>• 1 CH Course – minimum 1 OHT</li> <li>• 2-4 CHs Courses – minimum 2 OHTs</li> </ul>	30-40
Mid Semester Exam	90-120 mins	1	25-35
Quizzes	-	<ul style="list-style-type: none"> <li>• 1 CH Course – minimum 2</li> <li>• 2 CHs and above Courses – minimum 3</li> </ul>	10-15
Assignments	Own time@	-	5-10
Project(s)	Own time@	-	10-20
Lab Work			
Lab Work/ Psychomotor Assessment/ Lab Reports	3 contact hours	1 per week for each lab CH	50-70
Lab Project/ Open-ended Lab Project/ Assignment/Quiz	-	1-2	10-20
Final Assessment/Mid Semester Assessment (Written, viva, hands-on experimentation, group task)	-	1	20-30

Mid Semester Examination will be held in lieu of OHTs during Summer Semester.

@ Duration of own time is decided by the class teacher.

17. For purely theoretical and purely practical courses, the grading scheme is evident in the suggested format. However, for subjects having two categories (theory and practical) combined, the final grade is computed by multiplying the number of credits assigned to each category with the percentage marks obtained in that category and dividing the sum of the two by the total credits in that subject. For example:

Example				
Subject	Theory Credit	Practical Credit	% age Marks Earned	
			Theory	Practical
Physics	3	1	70	90
Overall grade = $(70 \times 3 + 90 \times 1) / (3+1) = 75\%$				

18. The overall subject percentage thus obtained shall be rounded off by the individual faculty up to two decimal points.

19. The performance of each student in a course of studies is graded as follows:

Letter Grade	Grade Points
A	4.00
B+	3.50
B	3.00
C+	2.5
C	2.00
D+ (for UG only)	1.50
D (for UG only)	1.00
F	0.00
I	Incomplete
W	Dropped
Q	Qualified
T	Transfer
XF	0.00 (F Grade due to shortage of attendance)

**Note:** Q Grade i.e., Qualified applies to the specified course(s) as per NUST Policy.

20. **Relative Grading System.** The University follows a relative grading system on a scale of 1.00 to 4.00 points.

21. To earn course credits, a student must obtain a minimum of 1.0-grade points for the undergraduate programme in each course.

22. To successfully complete the degree requirement, a student must obtain a minimum CGPA of 2.00 (2.50 for BBA, BS Economics, BS Public Administration, BS Mass Communication, BS Accounting & Finance, and BS Psychology).

23. **Credit and Contact Hour Correlation.**

- a. **Credit Hour (CH)** means a lecture of one-hour duration (including ten minutes break) per week per semester for a subject countable towards a student's Cumulative Grade Point Average (CGPA). However, in the case of the studio, one credit hour requires two CHs.
- b. **Contact Hour** means one hour including ten minutes break spent on academic and research-related activities including instructional work/tutorials, studio work, research work, projects, seminars, workshops, internships, etc., during the course of studies at the University. Generally speaking, one CH of course work is equal to one contact hour whereas one CH of studio work is equal to two contact hours, and one CH of lab work/workshop/seminar/research work/project is equal to three contact hours.

24. **Class size & Composition.** In all NUST programmes the class size usually does not exceed 50. To have healthy academic competition among the students, the composition of the class is based on the performance in NET/Semester results. In the first semester, the sections are formed based on admission merit; however, after one year of study, the composition is readjusted as per the latest semester result. In case a student requests for a change of section, the request be evaluated as per justification and shall be decided by the head of the institution.

25. **Award of F, I, & W Grades**

- a. **Award of Grade F.** In addition to the **F** grade awarded based on academic failure, a student shall not be allowed to appear in the final examination of a subject in which his/her attendance is less than 75%, and s/he shall be awarded **XF** grade in that subject. The **XF** grade so obtained shall only be cleared by repetition of the course whenever offered.
- b. **Award of Grade I.** A student, who, because of illness or other acceptable reasons approved by the DBS/FBS, fails to complete the required work in any course or misses any examination/test defined as under, provided his/her overall attendance is not less than 75%, is given **I** as a grade. If a student fails to make up the coursework, he will be awarded an **F** grade. However, in highly extraordinary cases further, an extension may be approved by Registrar Dte, Main office on the recommendation of the FBS.
  - (1) **Mid Semester Examination/OHT.** Whenever a student misses the Mid Semester Examination/OHT due to reasons acceptable to the DBS, a make-up test should be arranged within the period to be decided by the DBS but not later than four weeks from the original date of missed Mid Semester Exam/OHT.

2. **Option of Minors.**

- a. In line with international practice, NUST has introduced the option of Minors for its undergraduate students. A student who meets the pre-requisites can register a Minor of his/her choice from the list of Minors offered by the NUST institutions as per NUST policy.
- b. **Salient features of NUST Policy on Minors.** The Minors are offered as per the following details:
  - (1) Students may choose a Minor after successful completion of 1<sup>st</sup> year of the UG programme.
  - (2) Where possible (without clash of timetable and seat availability in the class, etc.), students opting for Minor will be allowed to attend with the regular class.
  - (3) The time slot of 4:00-5:00 pm (Monday - Friday) or 2:00-5:00 pm (Tuesday-Thursday) will be reserved by all institutions for Minor courses in case a separate class is to be conducted for Minors.
  - (4) Courses with prerequisites may be avoided for Minors, wherever possible, to allow maximum students to opt for such courses.
  - (5) Courses with labs, if essential, be modified and lab portions are appropriately adjusted in projects and home assignments.
  - (6) The minimum number of students for a Minor subject to be offered separately is "10".

- (7) Minors may also be offered in Summer Semester, if the resources permit.
- (8) MS level courses (SINES & USPCAS-E) may also be considered for Minors, if applicable. No special classes will be arranged for MS-level Minors.
- (9) Minor with title will be shown in the student transcript.
- (10) Minor CGPA will be calculated separately from SGPA/CGPA.
- (11) CHs for Minors will be in addition to the standard workload of the degree.
- (12) The student has to complete a minimum of 12 CHs (4x Courses) to earn a Minor out of six courses offered against each Minor.
- (13) Students will be facilitated to take Minor subjects in a semester by extending the maximum limit of CHs from 18 to 21 CHs with the permission of the Dean. For further extension in special circumstances, the case may be referred to Main Office (Registrar Dte).
- (14) The minimum CGPA required for opting for a Minor is 2.75 for Engineering, IT, CS, Natural & Applied Biosciences, Architecture & Industrial Design and 3.00 for UG degree programmes of NBS & S<sup>3</sup>H.
- (15) **W** and **F** grades in the case of a Minor subject will not be reflected in the student's transcript. However, the student will have to pass all four courses to be eligible for the Minor. In case a student does not clear four courses, then the courses with pass grades will be reflected in the transcripts as "Additional Courses".
- (16) If a student wants to change his/her Minor can do so at once latest by end of the 4<sup>th</sup> semester. Courses with failure (**F grade**) will not be reflected on Student Transcript.
- (17) Students will be charged a tuition fee for taking Minor subjects as per policy.
- (18) Guidelines for each Minor will be devised by Minor offering institutions and widely circulated among students to facilitate them in choosing a Minor.

c. The benefits of Minors are:

- (1) flexibility in choosing a career of choice after graduation;

Under the new degree, the student is given a waiver for the common/similar courses (similarity acceptance as per NUST policy) that s/he has studied in the first degree. To meet HEC criteria of minimum credit hours for the award of degree, subjects studied and waived off from the first-degree programme are transferred against the new degree without the grade letters and credit hours. CGPA of the new degree is calculated based on the courses only undertaken during the second degree.

- (9) Admission of NUST graduate applicants is strictly subject to merit position determined by Registrar Dte as well as seats availability in the discipline applied.

b. **Registration Process.** The following process will be followed for the registration in the second-degree programme:

- (5) The School will respond to Registrar Dte within one week, who will process the admission and inform the student before 31<sup>st</sup> August.

6. **Outbound Student Exchange.** NUST has signed several Memoranda of Understanding (MoU) with international universities across the world. These MoUs cover student exchange programmes on mutually agreed terms and conditions. NUST encourages inbound and outbound visiting students for a period of 3 to 12 months. Some of our

institutions are sending students to reputed foreign universities to study for one semester. Such exposure to students is extremely useful in their academic and personality grooming. Outbound Student Exchange Policy will regulate the selection of students, selection of courses, and acceptance of grades earned overseas by NUST students. Salient aspects of the policy related to students' actions/information are mentioned below. However, a complete policy is available with NUST International Office (NIO).

- (4) At a time, a student can apply to two different exchange programmes, but within an exchange programme, can only choose one university. Specifically, for Mevlana Exchange, students can give their university choices in order of preference. Out of their preferences, one university will be allocated based on merit.

Students are advised to regularly check the NIO webpage for call of nominations for exchange programmes at <https://nio.nust.edu.pk/mobility/exchanges/outbound/>
- (3) All students must apply to obtain clearance (NOC/ Clearance to Leave) from NUST. The students will submit their applications on the

prescribed form to the Registrar duly recommended by the respective FBS of the institution. (The Form is available on NUST Website) <https://nust.edu.pk/downloads/forms/>

- (4) After completion/confirmation of process, IFPI must forward details of departure and arrival of the respective students to Registrar with info to NIO.
- (5) **Duration of Exchange Programme.** Students will be allowed to study for 1 - 2 semesters in a foreign university of repute.

The exemption can be sought by the institution on case-to-case basis from the Pro-Rector (Acad).
  - (c) In case any 3<sup>rd</sup>-year student has already completed an internship before going for the exchange programme, that may be accepted in lieu of a 3<sup>rd</sup>-year internship.
- (9) **Post Exchange Programme Report.** On return, the students will submit Post Exchange Visit Report to their respective IFPI.
- (10) **Tuition Fee.** The selected student will pay the tuition fee for the semester(s) attended abroad in accordance with the provision of the

MoU with that university. For other students, where deferment has been asked, will pay 25% of the tuition fee as per the deferment rule given in the Statutes.

7. **Student Advisory System.** NUST has always endeavoured to adopt new measures and practices to help its students achieve par excellence in all domains of their lives. Student Advisory System (SAS) is a platform available to NUST UG students for informal interaction and guidance during their stay at NUST. It helps students to become well conversant with the NUST Academic Regulations and to overcome their personal and academic issues.

a. **Structure.** All UG freshmen students are assigned an Advisor who acts as a guardian/mentor of the student to counsel and provide necessary guidance. The students from different academic batches assigned to a particular faculty member form the Advisor Group for that faculty member. Freshmen students are required to attend their session in first week of each month, planned to facilitate, guide, and groom new students during their settling down phase. Furthermore, mandatory advisory sessions are held for students having some academic deficiency (in 3<sup>rd</sup>, 9<sup>th</sup> and 15<sup>th</sup> week), i.e., CGPA/SGPA less than minimum qualifying grade, or having W/XF/F grade in one or more courses. In addition to that, desirous student may request student advisor if s/he considers the requirement of an advisory session or any student as decided by the Head of the Institution. The student advisor will raise an evaluation report at the end of each semester in respect of each student in his/her group that covers the students' personality traits, trends and academic performance during the semester.

b. **Key Benefits.** The SAS helps to:

- (1) facilitate freshman (students in their adjustment phase);
- (2) imbed a system of grooming, personality development, regular advice, and guidance to the students during their course of studies;
- (3) ensure that all students understand academic regulations/policies as vividly as possible through regular coaching;
- (4) install and nurture an effective system for monitoring of academic progress of students and provide guidance for improvement;
- (5) ensure regular dissemination and understanding of important information/revised policies down at the student level;
- (6) provide an effective system for prompt detection of any signs of radicalization/extremism on the campus and handling of students' personal issues.

8. **Student Counselling.**

- a. **Center for Counselling and Career Advisor (C<sup>3</sup>A)** is a significant component of student services and offers confidential and professional services to all members of the NUST community. This service is FREE to all NUST community, i.e., students, staff, and faculty members. Counselling helps address short-term personal, social, familial, or academic worries to long-term often more complex psychological issues.

Qualified psychologists counsel, administer psychological tests and offer workshops and group sessions on pertinent issues. Self-help material is available on issues related to students' concerns on the C<sup>3</sup>A website. The Centre strives to take a holistic approach towards students' development so that they may thrive professionally and personally.
- c. **Counselling Services.** Sharing personal issues with friends and family can have biased responses as sometimes social support is not enough to deal with life challenges. Hence, there are times when it is appropriate to seek professional help. Counselling is a chance to talk over what is on one's mind with a trained professional who can assist, guide, and help address the challenging areas of life. A new perspective of handling and coping is introduced in a caring and supportive environment. Career counselling and advisory is another main feature of C<sup>3</sup>A's services. At C<sup>3</sup>A, people are helped to explore themselves, their feelings and interests. Their values, choices, and lifestyles are respected. They are guided to make decisions, choices, or changes that would help them prosper professionally and personally.
- f. **E-Counselling.** C<sup>3</sup>A initiated an e-counselling facility via email for all the NUST students during pandemic to facilitate them during COVID-19 and lock down. Now, in an effort to enhance accessibility of the C<sup>3</sup>A services for all NUST fraternity, e-counselling is available via various online channels such as MS Teams and Google Meet only for institutes other than NUST H-12 campus.
